Woodside RDF

Serving the Baton Rouge/New Orleans area, Woodside RDF provides local businesses and industries with professional disposal services that are safe, convenient and meet the highest standards for environmental compliance.

Containment Design

Woodside RDF utilizes a Subtitle D liner system featuring three feet of re-compacted clay, overlain with a 60 mil High Density Polyethylene (HDPE) synthetic liner.

Leachate Collection & Treatment

At Woodside RDF, leachate managed using a drainage blanket with an automatic extraction system. Lechate is safely managed at the Walker POTW.

Groundwater Monitoring

A detailed network of groundwater wells is used to monitor groundwater quality around the perimeter of the landfill. Groundwater is sampled regularly and tested for hazardous constituents. Results are reviewed for statistically significant increases.

Landfill Gas

Woodside RDF uses an active landfill gas collection system that consists of 40 active gas extraction wells and an automated flare system.

Security

Security at Woodside RDF is provided by closed-circuit television, a locked entry, perimeter fencing and an after-hours guard.

Your Non-Hazardous and Special Waste Disposal Solution

Waste Management's approximately 300 disposal facilities employ the latest advances in landfill technology. From carefully selecting new landfill locations to installing state-of-the-art liners to expertly capping landfills that have been filled to capacity, Waste Management makes every effort to ensure its sites' operational integrity as well as the safety of surrounding ecosystems. As stewards of the environment, Waste Management sees that all its landfills are designed, constructed, operated and maintained to meet or exceed all local, state and federal regulations.

About the Site

Year Opened: 1987
Communities served by this location:
Baton Rouge and surrounding communities
Size: 207 Acres
Capacity: 34 million cubic yards
Total Life Expectancy: 40 years
Number of Tons Disposed Annually:
800,000
Ownership: Waste Management
Permit Information: Permit# P-0080R1

Accepted Wastes and Services

The following waste types are accepted at Woodside RDF:

- Asbestos - Friable
- Asbestos - Non-Friable
- Auto Shredder Fluff
- Biosolids
- Construction and Demolition (C&D) Debris
- Drum Management - Liquids
- Drum Management - Solids
- Industrial and Special Waste
- Liquids (Managed via LiquifixSM)
- Municipal Solid Waste (MSW)

Non-Hazardous Waste Disposal Services

Industrial Waste Disposal – Waste Management provides the highest level of industrial and special waste services backed with a written indemnification that protects customers from fines, lawsuits, sanctions or other legal/regulatory actions.

Additional Services Provided

- Roll-Off Service
- Tote Bins
- Cutting Boxes

Additional Site Information

Transportation – This facility is equipped to handle roll-off boxes, vacuum boxes, dewatering boxes, end-dump trailers, flatbed trailers and tanker trailers. Convenient truck access is available via I-12.

Waste Receipt Standard – Waste Management has a defined waste screening protocol for each of its Subtitle D non-hazardous waste facilities. This waste screening procedure is used to protect both our employees and the environment. For all industrial and special waste streams, the generator or agent must complete a Generator's Non-Hazardous Waste Profile (available online at www.WMDisposal.com) for review by our technical staff. Oftentimes, the profile must be accompanied by analyses, MSDS, or other pertinent information. Manifests or Waste Shipment Records must generally accompany the waste shipment.

Awards

Woodside RDF has received the following awards and citations:

- Safety Award Zero Injuries (2005/2006)
- March of Dimes Top Contributor (2000/2001/2002)
- The John Koury Memorial Outstanding Certified Solid Waste Management Operator Award (1998)
- Landfill of the Year (1991)

Community Partnerships and Involvement

Woodside RDF is proud to be an active supporter of the following events, charities, schools and service groups:

- Denham Springs Chamber of Commerce Golf Tournament
- Habitat for Humanity
- Keep Livingston Beautiful
- LA DEQ Solid Waste Conference
- Local Community Ball Teams, Golf Tournaments and School Events
- March of Dimes, Livingston Parish Chapter
- Walk America
- Waste Pick Ups School Tours and Educational Activities

*From everyday collection to environmental protection,
Think Green®. Think Waste Management.*
