

WMSolutions – Create an Account

Use these instructions to create an account. Starting from www.wmsolutions.com homepage:

Action	Screen Image
<p>1. Click the Register link. The Login or Register pop-up box displays.</p>	 <p>The screenshot shows the WMSolutions.com homepage. At the top left is the WMSolutions logo with the phone number 800-963-4776. At the top right, the 'Login / Register' link is highlighted with a red box. Below the navigation bar is a large banner image of a worker in a red hard hat and blue safety jacket looking at a tablet. Text on the banner reads 'Speedy online approvals' and 'Need to submit a profile for your industrial and hazardous waste? Use our secure online system and eSignatures for a streamlined experience.' A 'Start a profile' button is visible at the bottom right of the banner.</p>
<p>2. Click Register button. The Create an Account page displays.</p>	 <p>The screenshot shows a 'Login or Register' pop-up box overlaid on the homepage. The box contains fields for 'Email address' and 'Password', a 'Remember me' checkbox, and a 'Forgot Password?' link. The 'Register' button is highlighted with a red box, and the 'Login' button is visible to its right.</p>
<p>3. In the <i>Login info</i> section, enter your Email address and a Password in the provided boxes.</p> <p>If needed, select the Show checkbox to view your newly created password for accuracy.</p>	 <p>The screenshot shows the 'Create an Account' page. The 'Login info' section is highlighted with a red box and contains an 'Email address *' field and a 'Password *' field with a 'Show' checkbox below it. Below this is the 'Security Questions' section, which includes a 'Security question 1 *' dropdown menu and a 'Security answer 1 *' text input field.</p>

4. In the *Security Questions* section, click the drop-down arrow beneath Security question 1.
5. Click to choose one of the provided questions.
6. Type your answer to the selected question in the Security answer 1 text box.

Repeat steps 4 - 6 for Security question 2 and Security question 3.

Communication Settings

Communication Settings choices have been expanded to provide you with more flexibility on how Waste Management communicates with you. You may choose to receive email announcements about regional training events, regulatory change and other important messages.

By sliding the toggle button left or right, you can opt-in or out of each message category to suit your needs. Please review your communication choices carefully before proceeding and hit the save button.

Thank you,
Waste Management National Services, Inc. and WMSolutions.com
