

WM DOCUSIGN CUSTOMER PROFILE FORM E-SIGNATURE

Use these instructions to sign the profile form via DocuSign

1

Select signature options in Section G of the profile form. If you select "Someone else will sign and submit electronically" option, additional contact information fields will appear on the form.

A screenshot of a web browser showing the 'Create a Profile' form. The form has a progress bar at the top with steps 1 through 6, where step 5 is highlighted. Below the progress bar is the section title 'G. Generator Certification (PLEASE READ AND CERTIFY BY SIGNATURE)'. There is a paragraph of text explaining the certification process. Below this, there are two main sections: 'How would you like to sign?' with two radio button options, and 'Generator Certification Statement (select one)' with one radio button option. A mouse cursor is pointing at the second radio button option under 'How would you like to sign?'.

G. Generator Certification (PLEASE READ AND CERTIFY BY SIGNATURE)

By signing this Waste Management ("WM") Profile, I hereby certify that all information submitted in this and all attached documents contain true and accurate descriptions of this material, and that all relevant information necessary for proper material characterization and to identify known and suspected hazards has been provided. Any analytical data attached was derived from a sample that is representative as defined in 40 CFR 261 - Appendix 1 or by using an equivalent method. All changes occurring in the character of the material (i.e., changes in the process or new analytical) will be identified by the Generator and be disclosed to WM prior to providing the material to WM. I am aware that there are significant penalties for knowingly submitting false information.
