

NEWTON COUNTY LANDFILL

2372 County Road 3870
Deweyville, Texas 77614
800 963 4776

HOURS OF OPERATION

7:00am–5:00pm Monday–Friday

7:00am–12:00pm Saturday
(No Class I on Saturday)
(Class II by appointment only)

Newton County Landfill

Serving greater southeast Texas and southwest Louisiana, Newton County Landfill provides local businesses and industries with professional disposal services that are safe, convenient and meet the highest standards for environmental compliance.

Containment Design

Newton County Landfill utilizes composite compacted clay with an HDPE liner.

Groundwater Monitoring

Groundwater quality is tracked via nine monitoring wells that are sampled semi-annually.

Landfill Gas Management

At Newton County Landfill, landfill gas is monitored regularly. At present, not enough gas is generated to warrant a flare or co-generation plant.

Leachate Collection & Treatment

At Newton County Landfill, leachate is maintained at or below 12 inches above the liner. Leachate is generally recirculated into the landfill or, on occasion, may be disposed of at a permitted offsite facility.

Security

Security at Newton County Landfill is provided by a gatehouse and perimeter fencing.

YEAR OPENED

1988

PROJECTED LIFE REMAINING

100+ years

PERMITTED CAPACITY

16.9 million cubic yards

TONS PROCESSED ANNUALLY

250,000 tons

OWNERSHIP

Waste Management of Texas

Regulated Hazardous Waste
Prohibited PCB Wastes
Radioactive Waste
Wastes incompatible with landfill operations

Additional Services Provided

Drum Management – Solids and Liquids
Solidification

Additional Site Information

Newton County Landfill uses recycled road base-type material to construct roads on site.

Approval Process

WM has a defined waste screening protocol for each of its non-hazardous waste facilities, which protects both our employees and the environment. For all industrial and special waste streams, the generator or agent must complete a waste profile (available online at WMSolutions.com) for review by our technical staff.

Risk Mitigation

WM provides the highest level of services, backed with state-of-the-art site design and management systems, to minimize risks and reduce liabilities from fines, lawsuits, sanctions or other legal or regulatory actions.

Community Partnerships and Involvement

WM is proud to be an active supporter of community events and programs that make our area a cleaner and healthier place to live, work and play.

This facility also supports the following events, charities, schools and service groups:

Deweyville 4 H and FFA Alumni
Deweyville Citizen Community for Progress
Deweyville Library Friends
